

Notice regarding *Annual Report 2018* print edition and PDFs downloaded before August 29, 2019

Tokyo Electron's Annual Report 2018 contained the following misprint. We apologize for this mistake, and have corrected it as shown below.

“Total net assets” for the year ended March 31, 2015, in the Consolidated Eleven-Year Summary (page 35 and 36 of the printed edition, page 19 of the PDF)

Before correction:

Total net assets	7,261,950	771,509	645,999	564,239	641,162
------------------	-----------	---------	---------	---------	---------

After correction:

Total net assets	7,261,950	771,509	645,999	564,239	641,163
------------------	-----------	---------	---------	---------	---------
